THE WHITE HOUSE
WASHINGTON

ILLEGIB

August 29, 1960

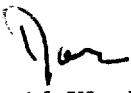

Dear Allen:

Jack Anderson handles the House; hence,
the memorandum to him with enclosures.

Something should be done about this for
two reasons, the first of which is yours
and the second, because the voters are
entitled to the truth, or at least to have
their minds disabused.

Will you call me.

Sincerely yours,

David W. Kendall
Special Counsel to the President

The Honorable Allen W. Dulles
Director
Central Intelligence Agency
Washington, D. C.
